### CERTIFICATE II IN HAIRDRESSING

The Certificate II in Hairdressing has been designed as a qualification for those persons providing general assistance in a hairdressing salon. Likely functions in the hairdressing industry for those who achieve this qualification include working within clearly defined contexts and, under supervision, providing assistance to other operators. Functions at this level include performing a limited range of hairdressing tasks, interacting with customers and providing customer service, following workplace safety procedures, demonstrating effective hairdressing environment work practices, providing assistance to colleagues and developing hairdressing industry knowledge.

This is an entry level qualification that leads into the Certificate III and creates a strong grounding in salon fundamentals. Each student will be assigned an individual trainer who will support you throughout your traineeship or apprenticeship.
