CERTIFICATE III IN HAIRDRESSING

The Certificate III in Hairdressing has been designed as the standard entry level qualification for the hairdressing industry. Likely functions in the hairdressing industry for those who achieve this qualification involve employment as a hairdresser working as part of team in a salon, performing processes that require a range of well developed skills where discretion and judgment is required; with responsibility for own outputs, and responsibility for the supervision of others, including apprentices. Functions at this level include applying skills and knowledge to sell products and services, ensuring a safe working environment and performing a full range of client services, including client consultation and advice, hair and scalp treatments, haircutting, hair design, colour and lightening, and chemical reformation services on male and/or female clients.
